Subcommittees - How to make them better?

- Not much we can do to make them better

How to increase attendance?

- Lots of people skipping out - lots of leniency
- Need to be strict but not too strict - so half the class isn't kicked out.
- Maybe make people explain why they're skipping out.
- Kicking someone out to send a message
- Making it more clear to accepted candidates that the attendance policy is very strict
- Zoom not engaging - give 24 hour notice if you're going to be on zoom.
- Making people turn their camera on
- Zoom buddy system - designating a person as a zoom buddy that explains the icebreaker activity or allows them to interact with the subcommittee.
- Let the advisors know

- the start time - reduce people being late
